

the sound of a  
**BEAUTIFUL LIFE**

She was just so little in this big colorful world,  
looking for the light everywhere she goes.

Even with no direction, the  
answer was about to come...

BUT SHE STOPPED DANCING.

She felt like going into her safe place, in nature,  
surrounded by the golden leaves.

There is music that can heal.

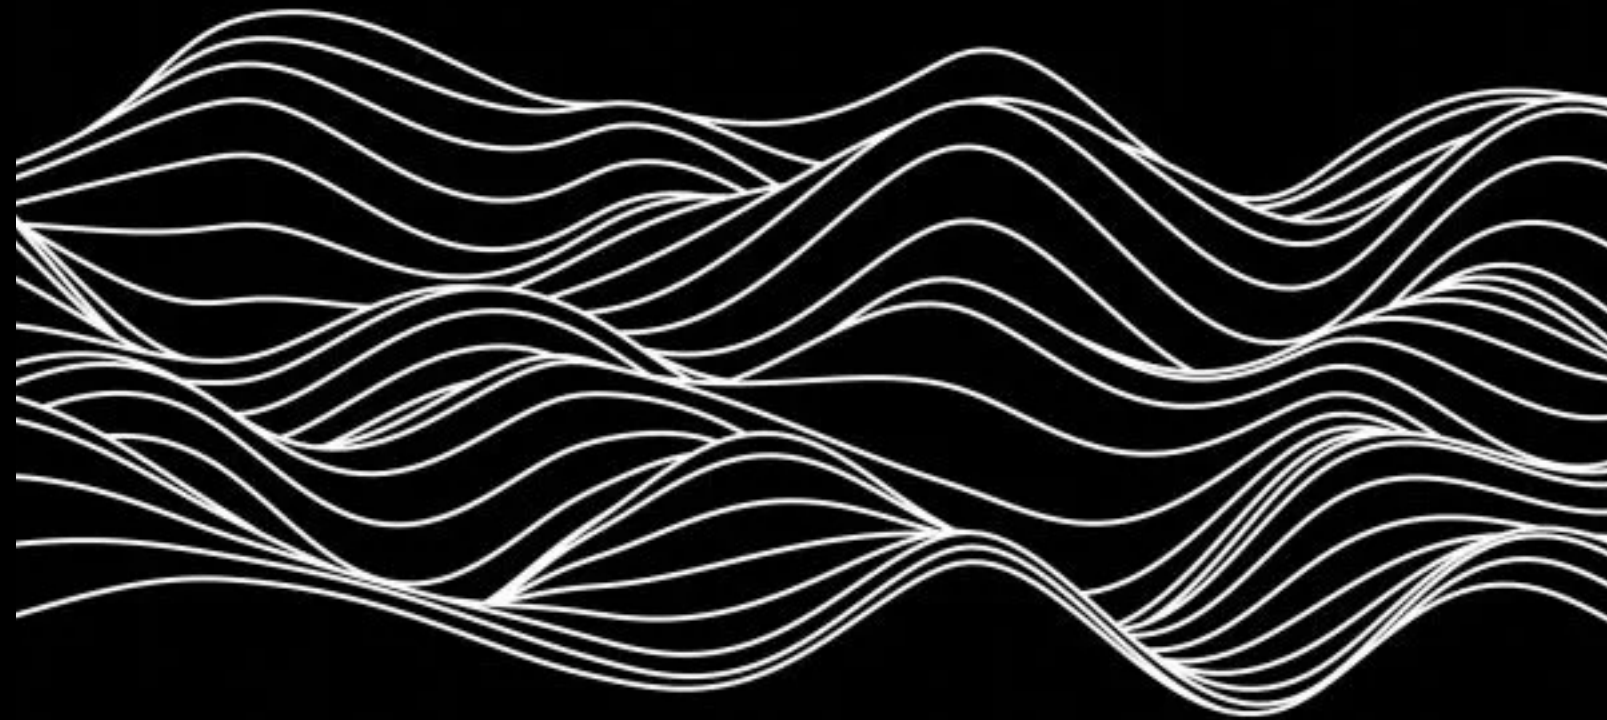

Music that can understand us better than words.

Music that brings memories back.

With her, music connects perfectly.

It allows her to create her own scenario.

and everyone CAN

using the colours in their eyes.

# CAND MI-AI ZAMBIT

Eu, natura, muzica si flori  
Ma plimb printre copaci multicolori  
Chiar si ei arata ganditori  
Am aflat ca se aseamana cu calatori.

Calatori or fii copacii,  
Cum e floarea de salcam,  
Pe pat de flori m-am asezat  
Si totul pare regizat.

Ma pierd in poezie...  
Si-n a pasarilor melodie.  
Devine o pura fantezie  
Incep sa cred ca e magie...

Dupa un timp a luat sfarsit,  
Florile n-au mai inflorit  
Natura nu m-a mai iubit  
Dar ai venit tu si mi-ai zambit  
Si am stiut unde am gresit
